Talent Campaign: Surge Support

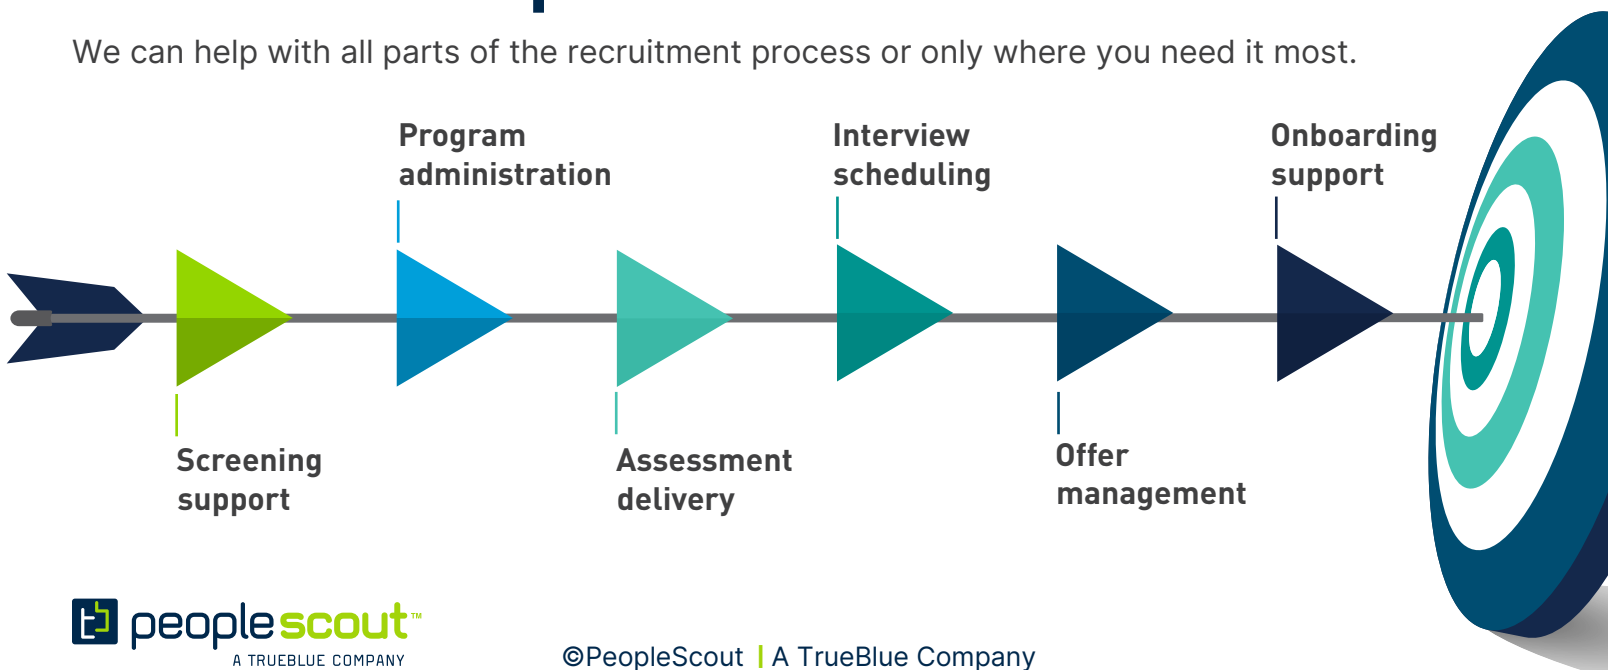

Move Faster with Talent Campaign: Surge Support

Sometimes even the best talent acquisition teams need reinforcement. PeopleScout's Talent Campaign: Surge Support solution provides project recruiting services to support your talent acquisition team during demanding periods of peak volume, for special projects or for hard to fill positions—all without increasing your permanent recruiter headcount.

If your organisation is struggling to meet a sudden need for talent or your internal recruiting resources are stretched thin, this project-based recruitment solution can drastically improve your talent acquisition outcomes. Talent Campaign: Surge Support is a great option for organisations for who need support with any part of the recruitment process including sourcing, interviewing, assessment, offer management, onboarding and more.

How We Can Help

We can help with all parts of the recruitment process or only where you need it most.

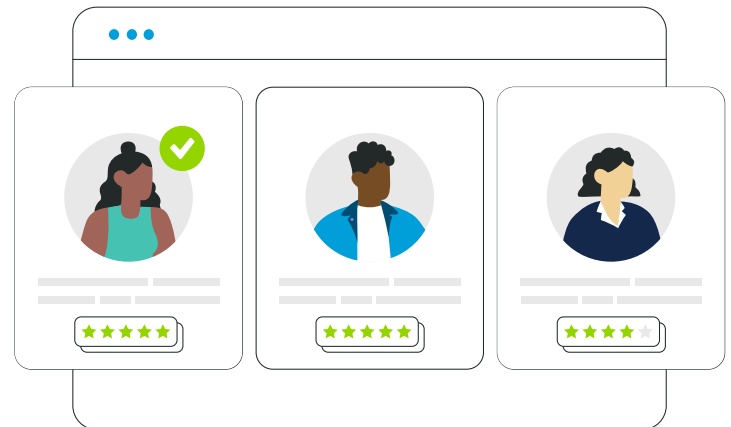

Value

- » Scalable recruitment project support perfect for increased volume, niche or specialist skills and difficult territories
- » Dedicated team with aligned account management to support surge recruitment
